Oh and let me tell you that I love you' and I think about you all the time

Caledonia's been everything I've ever had

I have travelled hard,' with conscience flying somewhere in the wind

Now I'm sitting here before the fire,' the empty room, the forest choir
D **A** **hm** **G**
The flames that couldn't get any higher' they've withered, now they've gone
D **A** **hm** **G**
But I'm steady thinking,' my way is clear' and I know what I will do tomorrow
D **A** **hm** **G**
When the hands have shaken' and the kisses flow' then I will disappear
