

Catch The Wind

(Donovan - Donovan Phillips Leitch)

[Actually in Eb; capo 3rd fret; 3/4]

[Intro] C F G C F C

In the chilly hours and minutes of uncertainty, I want to be

In the warm hold of your loving mind

To feel you all around me and to take your hand along the sand

Ah, but I may as we'll try and catch the wind

When sundown pales the sky I want to hide a while behind your smile

And everywhere I'd look, your eyes I'd find.

For me to love you now would be the sweetest thing, it would make me sing

Ah, but I may as we'll try and catch the wind.

Deedee dee dee, dee dee deedee Dee dee deedee, dee dee deedee

Dee de deeee

When rain has hung the leaves with tears I want you near to kill my fears

To help me to leave all my blues behind

For standing in your heart is where I want to be and long to be

Ah, but I may as we'll try and catch the wind
