One more night, the stars are in sight

F G Gadd4
But tonight I'm as lonesome as can be.

F G Gadd4
Oh, the moon is shinin' bright,

F Fmj7 Gadd4
Lighting ev'rything in sight,

C F G C
But tonight no light will shine on me.

C Fmj7 C
Oh, it's shameful and it's sad, I lost the only pal I had,

F G Gadd4
I just could not be what she wanted me to be.

F G Gadd4
I will turn my head up high

F Fmj7 Gadd4
To that dark and rolling sky,

C F G C
For tonight no light will shine on me.

G F C Fmj7 G
I was so mistaken when I thought that she'd be true,

Em F Fmj7 G
I had no idea what a woman in love would do!

C Fmj7 C
One more night, I will wait for the light

F G Gadd4
While the wind blows high above the tree.

F G Gadd4
Oh, I miss my darling so,

F Fmj7 Gadd4
I didn't mean to see her go,

C F G C
But tonight no light will shine on me.

[instrumental break]

C Fmj7 C
One more night, the moon is shinin' bright

F G Gadd4
And the wind blows high above the tree.

F G Gadd4
Oh, I miss that woman so,

F Fmj7 Gadd4
I didn't mean to see her go,

C F G C
But tonight no light will shine on me.
