

Vivian (09 - History from below)

Delta Spirit
org key B → capo 4

Intro G C G D Em H C G D G

G C G D
Sleep, oh sleep my Vivian, heaven is too cold without you
Em H C G D G
I'll stay right here above the clouds, Waiting to see heaven with you

C G D
I fought for each breath as long as I could, fighting with nothing to hold
Em H C G D G
The last breath I took blew through the wind, and into nothing at all

G C G D
Sleep, oh sleep my Vivian, heaven is too cold without you
Em H C G D G
I'll stay right here below the clouds, Waiting to see heaven with you

G C G D G

C G D
I know it's hard to deal with the pain, you're yellow from your liver giving out
Em H C G D G
Just close your eyes and think of me, old Gerry's not leaving his gal

G C G D
Sleep, oh sleep my Vivian, heaven is too cold without you
Em H C G D G
I'll stay right here above your house, Waiting to see heaven with you

G C G D Em H C G D G

C G D
Your fiery red hair and your warm brown eyes, you remember the day that we wed
Em H C G D G
Forever our souls are intertwined, not separate even in death

G C G D
Sleep, oh sleep my Vivian, heaven it ain't nothing without you
Em H C G D G
I'll stay right here beside your bed, waiting to see heaven with you
D C G D G
Waiting to see heaven with y o u, Waiting to see heaven with you
