

# Walk On The Ocean

# Toad The Wet Sprocket

(Capo 4th fret - all chords relative)

**A**                    **G**   **C G**                    **A**                    **Em**   **C G**  
We spotted the ocean            at the head of the trail  
**A**                    **Em**   **C G**                    **Dsus2**   **A**   **Asus4 A**  
But where are we going,            we're so far away  
**G**                    **C G**                    **A**                    **Em**   **C G**  
Somebody told me            that this is the place  
**A**                    **Em**   **C G**                    **Dsus2**                    **A**   **Asus4 A**  
where everything's better            and everything's safe

**Em**   **G**                    **D**   **A**  
Walk on the Ocean            Step on the stone  
**Em**   **G**                    **D**   **A**  
Flesh becomes water            Wood becomes bone

**A**                    **G**   **C G**                    **A**                    **Em**   **C G**  
A half an hour later            We packed up our things  
**A**                    **Em**   **C G**                    **Dsus2**                    **A**                    **Asus4 A**  
We said we'd send letters            And all of those little things  
**G**                    **C G**                    **A**                    **Em**   **C G**  
And they knew we were lying            But they smiled just the same  
**A**                    **Em**   **C G**                    **Dsus2**                    **A**   **Asus4 A**  
It seemed they'd already            Forgotten we came

**Em**   **G**                    **D**   **A**  
Walk on the Ocean            Step on the stone  
**Em**   **G**                    **D**   **A**  
Flesh becomes water            Wood becomes bone  
**Em**   **G**                    **D**   **A**  
Walk on the Ocean            Step on the stone  
**Em**   **G**                    **D**   **A**  
Flesh becomes water            Wood becomes bone

*[Bridge] (Play the chords of the chorus twice)*

**G**                    **C G**                    **A**                    **Em**   **C G**  
Now back at the homestead            Where the air makes you choke  
**A**                    **Em**   **C G**                    **Dsus2**                    **A**   **Asus4 A**  
Where people don't know you            And trust is a joke  
**G**                    **C G**                    **A**                    **Em**   **C G**  
Don't even have pictures            Just memories to hold  
**A**                    **Em**   **C G**                    **Dsus2**                    **A**  
It grows sweeter each season            As we slowly grow old

**Em**   **G**                    **D**   **A**  
Walk on the Ocean            Step on the stone  
**Em**   **G**                    **D**   **A**  
Flesh becomes water            Wood becomes bone
